

Vantage15 - Privacy Nutrition Label

Effective Date: June 29, 2026

Standardized privacy notice, grid format

This label summarizes how Vantage15 collects and uses personal information, using the standardized grid model for consumer privacy notices. Each row is a type of data collected. Each column is a way that data may be used. Read across a row to see how each data type is handled. This summary does not replace the full Vantage15 Privacy Policy.

How to read each cell

- **Used** - the data is used for this purpose
- **Opt-out** - used unless you opt out
- **Opt-in** - used only if you opt in
- **Blank** - the data is not used for this purpose

How Vantage15 Uses Data Purpose-based use matrix for app operation, billing, content improvement, and safety.						
Data collected	Operate service	Billing	Improve content	Security & abuse	Targeting	Sold or shared
Email & account identifiers	Used		Used	Used		
Login credentials	Used			Used		
Profile & session data	Used		Used	Used		
Payment & billing (Stripe)		Used		Used		
Subscription / transaction records	Used	Used		Used		
Content viewed / lesson progress	Used		Used			
Saved items & feature usage	Used		Used			
Device & technical data	Used		Used	Used		
Approximate usage patterns			Used	Used		

i Vantage15 uses data to operate the service, process billing, improve learning content, and protect the platform. Data is not used for targeting and is not sold or shared.

NOTES:

- **Sub-processors.** Clerk handles authentication and account data. Stripe handles payment and billing data. Cloudflare provides hosting and content storage. Anthropic and ElevenLabs support content production only; no end-user personal data is sent to them.
- **No advertising.** Vantage15 uses no third-party advertising networks and no cross-context behavioral advertising. The Marketing / ads column is blank for every data type.
- **No sale of data.** Vantage15 does not sell or share personal information. The Sold or shared column is blank for every data type.
